In this virtual concert, they will challenge people to "love thy neighbor," and inspire us in the action steps we can take forward together in this unprecedented cultural moment.

Get Involved

Endorse this concert to your community – We appreciate your help getting the word out to congregation members, friends and colleagues through church announcements, Facebook invites, and email newsletters.

Be a Sponsor – This year, we have an opportunity for churches, organizations and businesses to sponsor the concert. There are different giving levels which provide sponsors the opportunity to be listed on our website, in the event promotions, and announced during the concert. This is a great opportunity to spread the word about your church, business, or organization to those who will be attending.

Donate – The costs for videography, sound mixing, and production for this event total approximately $4,000. Donations of any amount help to create this platform for local Christian artists and unite Christians of all backgrounds towards our common mission! Once we cover the cost of hosting the event, all proceeds will go back to the artists to support their work. All donations are tax-deductible, and can be made at www.uniteboston.com/give

Host a Viewing Party – We're inviting churches and individuals to host viewing parties either in person or via Zoom. Our goal is to build relationships with diverse Christians and also those who don't attend church. We encourage practicing social distancing and sanitization protocols in accordance with state and local policies. You can indicate your interest in hosting a viewing party through your Eventbrite registration.

Pray - Prayer makes a huge difference! We appreciate your prayers for smooth logistics, for God's presence to be made manifest through the artists, for this event to unite people closer to God and one another, and strong communication and advocacy for this concert among the varied church networks in our city.
