

In response to the prevailing sense of hopelessness and despair in our city, the country and the world, we believe the Holy Spirit is presenting us with a strategic opportunity for the Church to respond as salt and light to break through the darkness.

PURPOSE:

LOVE UP & OUT will mobilize the Church of Greater Boston to have a collective grassroots response to the COVID-19 Pandemic, in sharing Acts of Random Care (ARC) through love and faith.

OUTCOMES:

- ❖ The Body of Christ will serve as an instrument of love and hope to the people of Boston.
- ❖ The residents of Greater Boston will feel loved and hopeful to dream again.
- ❖ The Church of Greater Boston will be visible.

DATES: **Sunday, May 24th - Sunday, July 26th**

DESCRIPTION:

Through the **LOVE UP & OUT** the Church of Greater Boston will mobilize parishioners/congregants over the next four weeks across our city, to commit to performing Acts of Random Care (ARC). We are asking for churches, ministries and individuals to stand in agreement with us in promoting and participating in our collective effort as a body.
