

## July 9th Vision Casting Meeting

The Vision Casting Meeting for The United Worship Services which will begin the first week of August and the Boston Mizpah Prayer Awakening that will be held at the Agganis Arena at Boston University on October 30th was successfully completed with grace.

Dr. Doug and Judy Hall, Bishop Gideon Thompson, and Dr. Roberto Miranda along with 67 other leaders participated in this meeting. In fact, the guests who attended this meeting are important enough to introduce them one by one. I couldn't introduce each and every one of the ministries in this letter, but it was a great honor for them to take the time to be here. Please understand that I cannot list all attendees due to space limitations.

The banquet and Vision Casting Meeting at the Hilton Hotel in Woburn's Grand Ballroom was truly a historic meeting. Dr. Roberto Miranda was miraculously able to attend. Jonathan Friz, who was supposed to be with us, couldn't come due to some health issues. Dr. Paul Jehle, tried to rearrange his schedule but unfortunately could not join us. Gabrielle Beam of Bridgeport, CT, having recently returned from a long trip could not be with us this time, but she hopes to be with us the next time. In addition, Gordon Hugenberg, Dick Germaine, Jeff Bass, Arlene Hall, Mamdouh Riads, Sean Richmond, and many others, were unable to attend due to their schedules, but they are greatly supportive of this gathering.

July 9<sup>th</sup> Meeting program was as follows:

The messages of the speakers were astonishingly consistent on the topic of revival. Bishop Gideon Thompson, speaking from Isaiah 6, spoke about the importance of a divine encounter with God. Dr. Roberto Miranda spoke about the restoration that the people of God received after 70 years in Babylonian captivity. Dr. Doug Hall spoke about the revival agenda after the Quiet Revival. Rev. Annette Tuttle, of Capital City House of Prayer in New Hampshire, testified about a truly amazing and supernatural work of God that changed the political landscape at the State House in New Hampshire. Michele Charles shared about the upcoming Tent America meetings that will be taking place across America and the 50-hour prayer meetings that Awaken the Dawn Massachusetts will hold on August 13th and 14th. I am truly grateful for the people who attended, because they are very valuable leaders who are already doing remarkable works. In fact, the guests who attended this meeting are important enough to be introduced one by one. I could not introduce each one of them in this letter, but it was a great honor for them to take the time to attend. Please understand that I cannot list all of the attendees due to space limitations. I sincerely thank everyone for joining us, especially since our meeting ran over and closed at around 10 pm.

Here are some comments from people who attended yesterday's meeting.

It was joy to be there! But I'm so sorry we had to leave at 10pm. We had childcare for our son. That's the challenge when my husband and I attend together. We didn't get to stay until the end. I apologize!

One person flew in just for this meeting, he arrived in the afternoon and flew out the next morning. One, after the fatigue and hard work of a long journey, hurried to the meeting once they arrived home. One came to the gathering even though he was on vacation, while another left their children with a grandfather, and later hurried home to get their child. Some canceled other plans and in order to attend this meeting. Nevertheless, people who were already traveling, were out of town, or had another itinerary or an appointment to keep were not able to join with us.

Now, I pray that a new wave of revival will arise in Boston and New England, beginning with the meeting at Jubilee Christian Church as we gather together in the first week of August.
